FOREWARD

This INDEX contains Federal sector ARBITRATIONS and case determinations of the Federal Service Impasses Panel (FSIP), the Federal Labor Relations Authority (FLRA), and selected decisions of the Federal Employees Appeals Authority (FEAA), the Comptroller General (CG), the Federal Court System, and the Merit Systems Protection Board (MSPB). It also includes case determinations of the Federal Labor Relations Council (FLRC) and the Assistant Secretary for Labor-Management Relations (A/LMR) issued under E.O. 11491. MSPB decisions are combined with FEAA cases and listed under the MSPB heading.

These decisions are indexed and listed (beginning on page 1) by the subject matter(s) which they address. The principal subject classifications - CATEGORIES, and the topics and items within each CATEGORY, are listed beginning on page iii. In addition, all the subject terms contained in the index are listed in alphabetical order beginning on page xvi.

This INDEX is derived from the Labor Agreement Information Retrieval System (LAIRS) file which includes all case decisions issued on or before July 1, 1982. Cases are identified by a five-digit LAIRS record number, with the first digit indicating the type of case, as follows:

'0' - FLRA
'1' - Binding Arbitration
'2' - Advisory Arbitration
'3' - Courts
'4' - FSIP
'5' - FLRC
'6' - A/SLMR
'8' - MSPB (FEAA)
'9' - CG

TABLES OF CASES are provided on page 367 and following. These TABLES permit conversion of the LAIRS number to the case decision number. (Note: arbitrations are identified solely by the LAIRS number. Digests of arbitrations are available in the publication, Digest of Labor Arbitration Awards in the Federal Service and its supplements. A list of those exceptions to arbitrations which resulted in an FLRA (or FLRC) decision may be found starting on page 437.

The A/SLMR Table of Cases indicates which decisions were appealed and resulted in a decision by the appropriate authority.

The Tables also list the OLMR INFO-GUIDE in which that case is analyzed.

HOW TO USE THE INDEX

The Subject Classification Listing beginning on page iv can be used to review the subjects coded. Then look under the Alphabetic Listing (page xvi) for the particular subject you want. The page number is given to the right. The listing will show N.E. if no entries have been coded under the particular subject. Use the Tables of Cases to convert the LAIRS number into original case numbers. (Note that conversion is not necessary if the LAIRS microfiche file is available.)

FOR EXAMPLE: To find cases dealing with the scope of arbitration as such, the alphabetical listing (page xxv) directs you to CATEGORY "2" on page 5. There, under topic "SCOPE" you find one FLRA decision (00914), two FLRC decisions (50117 - 50260), two FSIP (40011 - 40023), and six arbitrations - five binding (10442 - 10725 - 12364 - 13800 - 14105), one advisory (20218). Using these numbers the decisions can be found in the LAIRS microfiche file. Where the microfiche file is not available, the TABLE OF CASES will yield the original case numbers as follows:

page 383 - 00914 - 8 FLRA No. 59, Report 132

page 397 - 50117 - FLRC 75A-23, Reports 70 and 95

page 400 - 50260 - FLRC 78A-88, Report 162

page 390 - 40011 - FSIP 72-4, Release 35

40023 - FSIP 73-26, Release 48

This INDEX is essentially computer-generated. It will be updated at four-month intervals corresponding to the updates of the LAIRS file. Any questions or comments on this INDEX should be addressed to the U.S. Office of Personnel Management, Office of Labor-Management Relations, Washington, D.C. 20415, ATTN: LAIRS Office.
